

Your future starts here.

Take control of your career.

At Job Corps, you get hands-on training to start a career. You pick your career path, and we'll give you the skills to make it successful. It doesn't stop there. We'll also help you find a job so that you can hit the ground running after graduation.

What you need to know:

Job Corps is free to eligible 16- to 24-year-olds! Campus living, meals, training, supplies AND a supportive community ... all free.

100+ centers across the country (yep, there's probably one near you!)

You can start as soon as you're ready.

At Job Corps, you'll ...

- ✓ Chart your own path (and gain independence along the way!)
- ✓ Meet friends and counselors who will encourage you as you train
- ✓ Have opportunities to mentor others and get involved with the community
- ✓ Get involved on campus through sports, clubs or community service projects
- ✓ Connect with employers and build a network of resources

Not sure what you want to do? You've got choices.

- Automotive and Machine Repair
- Construction
- Finance and Business
- Health Care

- Renewable Resources
- Transportation

No matter what you choose,
you'll get the hands-on training
and certifications you need for
a successful career.

Build a strong foundation
for your future with hands-
on training.

Live on campus and join a
community of fellow students.

Get the skills you need for
a successful career.

Connect with the right
employers to launch your
career after graduation.
